

REMARKS

In response to the problem the Examiner noted with the priority claim, Applicant submits herewith an Application Data Sheet, perfecting the priority claim as required under 37 U.S.C. 119(e). Applicant has also amended the specification to include the priority claim in the Cross-Reference section. No petition or petition fees are believed necessary, since a priority claim was timely made (just not properly noted) when the application was filed. Applicant now respectfully requests that the Examiner remove his objection noted in paragraph 1 of the Office Action dated September 24, 2004.

Applicant has filed a new set of drawings in response to the objections made by the Examiner. In the drawings, Figure 4 has been corrected to add referenced number 31. In addition, Applicant has made several amendments to the Specification to correct informalities noted by the Examiner.

Applicant now believes this application to be in condition for allowance. Favorable consideration is hereby requested.

If questions remain regarding this application, the Examiner is invited to contact the undersigned at (206) 628-7670.

Respectfully submitted,

John L. Waddell
